

FOR IMMEDIATE RELEASE

NEST Schools Scholarship Fund!

Lexington, VA – September 20, 2016. A circle of champions: More than 30 Boxerwood friends have stepped forward so far to build up the NEST Schools Scholarship Fund!

100% of donations to this fund provides subsidies for schools unable to meet their financial obligation to Boxerwood for nature-based programming. Donating to the fund helps schools, children, and Boxerwood all in one swoop.

Our goal is \$15,000. The first \$5,000 raised will be matched by a generous donor. School need still outpaces the funds we've raised so far. Help us feather our Boxerwood NEST! More information about Nurturing Environmental Stewardship Together (NEST) is available at its dedicated website www.projectnestva.org.

A successful appeal last year enabled us to serve eleven local schools including those serving low-income populations.
