

BOXERWOOD *Newsleaf*

May/June 2018

Volunteers Make A Difference!

We want to say THANK YOU to all the volunteers who help keep Boxerwood blooming and growing. Our recent 3rd Fairy Festival demonstrated how much we rely on the more than 60 amazing volunteers who worked that day. We estimate that Fairy Festival attendance was between 700 and 800 festival goers. Our volunteers did an amazing job helping it all run smoothly. We thank our parking lot volunteers. Although the lot was near capacity most of the day, our volunteers moved people in and out of the festival safely. We also thank our ticket and membership volunteers who answered questions, sold tickets, and promoted Boxerwood. And finally, thank you to the craft station volunteers who kept the activities running smoothly even during the busiest times.

We love our volunteers! Our garden volunteers work hard all year to plant, weed, rake, and spruce up the gardens to create an inviting and beautiful space for visitors. Additionally, our education volunteers assist Boxerwood Educators with hands-on science lessons for local school children. Volunteers also help with many other activities, including office tasks, Music in the Garden concerts, construction projects, and much more.

Visit our [website](#) to check out a list of volunteer opportunities. Join the Boxerwood community to learn more about us, help us grow, and be part of an enthusiastic family!
